In Rifle and Shotgun events shooters can shoot as "non-stop" i.e. when ever the shooting conditions at the range makes the shooting possible, during the daily shooting time between 10 a.m. and 7p.m. (exception on Thu 6th July when the shooting ends at 6 p.m. due to Shooters' Party). In pistol events (excluding the Air Pistol and Free Pistol which will be shot as non-stop) there are rounds for every Pistol event at certain time of the day.
